The saying "No love, no friendship can cross the path of our destiny without leaving some mark on it forever" by Francois Muriac just manifested in the good longstanding friendship between the African dancehall king Shatta Wale known in private life as Charles Nii Armah Mensah Jnr. and his good old friend Solomon Ashong, popularly known on the streets as SOLASH. The artist recently gifted his friend a brand new 2017 Maserati estimated around \$110,000, which he made public via his official facebook page.

I know our cherished readers will definitely ask "Who is Solash?" Solash is one of the youngest Millionaire C.E.O's in Ghana. He is the owner and bank roller of SOLASH ENTERTAINMENT GHANA LTD, a record label and an event organizing company with artist like Sister Afia the new highlife sensation as one of their co-signed artists.

Over the years the company have hosted so many events in collaboration with the Shatta Movement Empire(SME) and notable amongst them is the Infamous Cape Coast show that sparked the beef between Shatta Wale and Yaa Pono in which the latter claimed he was sabotaged by the SME because they know he was coming to Take away the Shine the show lol. The company also organizes events during the Annual Kwahu Easter Festivities and a lot more, hopefully this year will see even more ground breaking events from Solash Entertainment Ghana Ltd.

Solash Entertainment was also a partner in the just ended Shatta Wale's America Tour that earned him the Key to the City of Worcester. Worcester is a city in central Massachusetts in the United States Of America. Worcester is mainly known for it's EcoTarium, which is a science and nature museum, with a digital planetarium, animal exhibits and a narrow-gauge railway. The vast collection at the central Worcester Art Museum includes Roman mosaics, Impressionist paintings and medieval armor. Congratulations Shatta!

An excited Solash, had this to say after the car was officially presentation to him, to show his appreciation to the African dancehall king Shatta Wale

Solash already owns a 2016 Range Rover, a convertible 2106 Chevrolet Camaro, a 2016 Toyota Tundra, a 2016 Mercedes Benz CLA 250. and a lot more assets. All we can do at this point is to wish the Shatta Movement and Solash Entertainment well in their future endeavors. Below are Pictures of the NEW 2017 MASERATI.
